Big Pool Drive Now Launched

Nakama

Mr. and Mrs. Watts and Mr. and Mrs. Montgomery returned to Calgary for the weekend.

The Nakama school children are holding their school picnic at the river. It will be greatly appreciated by the teachers if those that are able to take cars will do so, and so help all the children there.

The Nakama Ladies Aid held their regular monthly meeting at the home of Mrs. G. Peterson, a large number of ladies being present. Sick, visiting executive and social committees were formed, and several new members admitted. It was decided to hold an ice cream social at the home of Mrs. Johnson on the evening of July 24th. The July meeting will be held at the home of Mrs. E. F. Wheeler on July 2nd. Visitors always welcome.

COMING EVENTS

The Strathmore U.F.W.A. will hold a Lawn Social on June 19th, at 8 p.m., at Harold Risdon's. A speaker will be present to talk on the three pools now being formed. Everyone welcome.

Nightingale Sports, July 28. Bigger and Better than ever.

The regular meeting of the Strathmore Women's Institute will be held Wednesday, June 17, at the home of Mrs. Sorenson. Full attendance is desired.

The Anglican Ladies Guild will hold a tea and party sale from 5 to 6 p.m. Saturday, June 13th.

DANCE

AT NIGHTINGALE ON FRIDAY, JUNE 12 Under the auspices of the Married Ladies of the Community.

Beiseker Notes

We are glad to welcome back to Beiseker, Mr. G. Hande, after one of the most remarkable recoveries known in this district. George had been in the Holy Cross Hospital in Calgary for the last five months, and has undergone three very serious operations. While great credit is due to Dr. Miller and the other medical men who undertook the case, it was the clear gift and optimism of Mr. Hande which played the biggest part. Beiseker can't afford to lose a man like Mr. Hande, and it certainly does us good to have him with us once more.

At a meeting of the local members of the wheat pool in the U.F.A. hall on Monday, June 1, Mr. J. H. Schmitz was elected delegate for this district. Beiseker is coming out strong for co-operation.

On Thursday evening about sixty-five friends of Mr. and Mrs. O. A. Jones tendered them a farewell party at their home, as a mark of the esteem in which they are held. Mrs. Jones was presented with a beautiful lunch tray, and Mr. Jones with a writing set containing fountain pen and pencil. A very pleasant evening was passed. As usual supper "died" and Mrs. Stevens, of California, dropped in. In casual manner, and were greeted with acclamation. They are on a trip through the country, visiting old friends. Mr. Stevens has his fishing pole along.

Mr. Woodford, teacher of the intermediate room of the Beiseker consolidated school and the girls' club of the school held a very enjoyable and successful dance on Wednesday evening, June 3. A large number attending, and expressed their appreciation of the evening. About ninety dollars was realized, and this will be devoted to buying uniforms for the girls' baseball team.

Charles Fryer is back again and getting around nicely after his accident.

H. H. Arbuckle and F. M. Creighton, of Youngstown district, were each fined \$5 and costs at Beiseker on June 4 for trailing a bunch of horses from Youngstown to Aldridge without having the necessary permits from the department of agriculture, as required by the Stock Inspection Act. Constable W. G. Naylor, A.P.P., prosecuted.

Big Rainfalls

CROPS MAKING GOOD PROGRESS

The crops have made considerable progress during the past week, and the stand now is fully as good as it has ever been in any year since the district first opened. The weather during the latter half of the week was somewhat cold and cloudy, with occasional showers.

On Sunday the weather warmed up, and there was a heavy storm in the afternoon. Rain fell in Strathmore for about an hour, but north and east the rain was very heavy, and the roads were flooded for a time.

Another good rain fell on Monday evening, totalling over half an inch, and a heavy thunder storm on Tuesday afternoon also added to the moisture content. Rain came up again on Tuesday evening and continued steadily all night till Wednesday forenoon, as we went to press.

RAINFALL BY DISTRICTS

The first column in the table below represents the rainfall for the twenty-four hours ending 8 a.m. this (Wednesday) morning. The second column represents the rainfall for the week ending this morning at the points mentioned.

Dalroy	40	81
Cheadle	54	82
Strathmore	82	152
Carlton	82	177
Winona (near Rockyford)	15	148
Crowfoot	71	244
(6 miles east Strathmore)		
Gleichen	16	58
Carseland	35	169

The only fly in the ointment so far is the cutworms, which in some places, especially in the Rosebud district has done considerable damage. We are informed that Mr. C. A. Nolan, of the Fort Pitt Ranch, has to reseed 500 acres. Mr. Geo. Gow, 400, and other farmers in that district smaller amounts. However, the colder weather and rains have had a retarding effect on this pest.

Drive for Pools Under Way

The province-wide drive for membership for the dairy, livestock and poultry pools is well under way, and will be in progress until June 28th. In connection with the drive, a great campaign of meetings covering every district in the province is being held. There will be more than 500 of these meetings, with speakers including provincial, legislative members and prominent agriculturists.

Preparations for the reception to Alberta of Walter H. Petet, the American co-operative expert, who is to assist the pools with five meetings in the province, are practically complete. Mr. Petet, who is secretary of the federation of all U.S. co-operative marketing associations, will arrive in Lethbridge, June 13th, and will be met by Premier Greenfield or Acting Premier Hoadley, and A. B. Claypool, Chairman of the Joint Pool Committee. Mr. Petet speaks in Red Deer Tuesday, June 16th, and in Edmonton June 17th. At Camrose the Board of Trade has taken entire charge of arrangements for Mr. Petet's visit to the Edmonton Journal Station.

During last week the Saskatchewan Livestock Investigational committee, headed by Hon. Geo. Langley, paid a visit to the province and held conferences with the pool officials, getting information on the organization of the pools in Alberta.

Contracts for all three pools continue to arrive at headquarters with a considerable percentage of their objectives already signed up.

Big Day at Irricana

Preparations are complete for Irricana's Big Stampede, to be held on Tuesday next, June 16. This Stampede is a real community effort. Farmers and townspeople have been working together for some time now getting the grounds in shape and building corrals.

The parade starts at 10.30 a.m. Big prizes are offered for bucking contests, steer riding, calf roping and riding, and the usual other Stampede events.

At six o'clock a ball game between Granger and Irricana will take place, and the day's enjoyment will conclude with a big dance in the evening.

The committee in charge are Messrs. Hugh Miller, S. J. Nance, and J. W. McCulloch.

Cheadle

Mrs. W. J. Miller, who has been seriously ill, is reported as not progressing as fast as friends would like to see.

O. Edwards, J. G. Miller, Roy Miner and Bob Wade were business visitors to Calgary during the week.

The municipal road crews are busy repairing the roads around town and main road into town this week.

The C.P.R. bridge gang are putting in a large cement culvert east of town.

The Trail Rangers put on their annual father and son banquet on Friday, the 8th inst., which was preceded by a baseball game, the date against the sons. The sons gave the dads a real good beating, after which everybody went to the hall to one of the real old-time Cheadle banquets. Forty-four boys and men sat down to the first table, which was presided over by the mothers. The boys take this means of thanking everyone who so kindly helped to give them a real night of enjoyment, and for donations to get some hall supplies.

Canadian's Ordeal

Strathmore Man Detained by U.S.A. Immigration Officers for Over Five Months.

Readers will remember that several weeks ago we published an item from "The Vancouver Tribune" detailing the case of several Canadians who had been held in detention at Seattle for several months. The newspaper stated that one of the men, whose name was Smith, had been born in Strathmore.

The mystery was cleared up last week by the arrival in Strathmore of Harold Smith, a young man who has been employed around the district for several years, who states that he was the man mentioned in the article. He was not, however, born in Strathmore, though he is a born Canadian, having first seen the light in Manitoba.

Smith worked last fall with Mr. Frank Amidon, near Cheadle, and left in October for Vancouver. From there he crossed the border into the States, with the object of visiting his mother and sister in California.

He was picked up after he crossed by the U.S. immigration authorities, and confined in the detention barracks at Seattle for five and a half months. During the whole of the time they were not allowed outside of a room there with several other Canadians, whose sole offence was that they had entered the United States without paying the head tax of ten dollars demanded by the U.S. authorities, and without a passport, which is stated nowadays to be necessary to enter "the Land of Liberty."

No sentence was imposed upon him, but he was just kept there for the time mentioned in detention, and then let go.

The conditions in the immigration barracks were not good. The place was not clean. New arrivals, including Orientals, were confined and kept all the time. The largest number in confinement at one time was fifty-nine. Smith states that there were numerous heart-rending cases, particularly of women who were separated from their husbands and children by the operation of the U.S. immigration law. One woman committed suicide while Smith was there on account of not being able to join her husband.

Smith saw service overseas during the Great War, and since then in the Lord Strathmore Horse at Calgary (permanent force). Subsequently he has been working in the Strathmore district.

It is of the opinion that the authorities mistook him for someone concerned in a criminal offence, and held him there until they were certain he was not the man, but there is something wrong with the administration of justice in the United States when any man can be confined for five-and-a-half months in what is not surely a very serious offence on the part of a man born on the North American Continent.

Smith is now back in Strathmore, and in the employ of Mr. John Schaufelt.

U. F. W. A.

The Strathmore U.F.W.A. met at the home of Mrs. Harold Risdon on May 27th. There were several ladies present.

Miss Risdon and Annie Korok were chosen as delegates to Edmonton for University Week, which is from the 3rd to the 16th inclusive.

We will have a social evening at Mrs. Harold Risdon's on the 19th of June. Everyone welcome.

School Column

The following changes in the School Fair Prize List should be noted: No. 13 should read III and IV, map of School District, No. 14 should read V map of Alberta; No. 60 should read Knitting Scarf (plain stitch).
On Saturday evening the Strathmore school basketball team returned to Langdon and were defeated 5-4 by the Langdon school team.

It is hoped that every teacher in the Carleton and Strathmore districts will try to be present at the meeting of the Bow Valley Local of the A.T.E. to be held at Carleton Place at 6 p.m. on Friday, June 19th.

The dates of closing and opening the schools will probably be June 30th and September 1st.
There will probably have to be some alterations made in the arrangement of grades. Any students facing one of the districts who intend to attend Strathmore High School next year should communicate with the principal as soon as possible.

All of the present staff of the Strathmore school have been asked to remain for the coming school year.

Langdon

Rev. T. H. Lonsdale, of Carleton Place, will conduct a service at Langdon on Sunday next at 11 a.m. This will be Mr. Lonsdale's last service here before leaving for England. The Rev. Percy Johnson, of Millist, Mr. Lonsdale's successor, will arrive in Carleton during the last week in June, or the first week in July.

While doing chores last Monday night, Mr. H. Cowan fell on a piece of bark which was almost through his leg, giving him a very bad flesh wound. Dr. Salmon attended him, and he is now able to walk around with the aid of a cane.

Miss Helen Marshall, of Calgary, was a weekend guest at the home of her parents, Mr. and Mrs. S. Marshall.

The Girls' Club entertained the ladies of W. I. on Saturday afternoon. Tea, sandwiches, cake and ice cream were served. The girls had a dance in the evening, and a good time is reported. A substantial sum was added to the funds of the club.

About thirty days of Gadsby, surprised Mr. and Mrs. Wm. Anderson on Saturday night, and gave them a regular "housewarming." "Gad" was played and a merry happy time was enjoyed by all. First prizes were won by Mrs. H. L. Griffin and Mr. Wm. Moore, while the consolation went to Mrs. Wm. Anderson and Mr. L. Bennett.

Mr. Lynn Dye, of Gadsby, Alberta, is enjoying a visit with home folks. Strathmore High School basketball team met defeat at the hands of the Langdon Juniors Saturday evening, Score 8 to 4.

The Langdon basketball team landed team a week ago and that team expects to play here next Saturday. The storm prevented a crowd from going to the game, but as many as possible should go to encourage our boys.

Mr. and Mrs. E. Dye, Mr. and Mrs. L. Hille, Mr. and Mrs. W. Smith spent Sunday at the home of Mr. and Mrs. W. Winters.

Mr. and Mrs. P. Duffus and Isabel were Sunday visitors at the J. Brander home.

Mr. and Mrs. J. W. Place and Mr. and Mrs. Wm. Dwyer, of Calgary, visited at the home of Mr. and Mrs. C. Whitmore on Sunday.

The Keoma Dramatic Club presented the play "Nothing But the Truth" to a capacity crowd in the L.O.O.F. Hall last Friday evening. It was a good play and well acted by everyone in it. Space does not permit special mention, but T. E. Brower as "Robert Bennett" and J. P. Shephard as "Bishop Doran" deserve much credit for the way they played their parts. The Keoma players are raising money to buy a piano for their new hall, which will soon be completed, and plan on visiting several towns with the play. "Nothing But the Truth" should be well patronized where ever taken. The cast was as follows: "Robert Bennett," T. E. Brower; "E. M. Ralston," Verne McKay; "Dick Bennett," Robt. McKay; "Van Dusen," M. Galloway; "Bishop Doran," J. P. Shephard; "Given Ralston," Mrs. F. E. Brower; "Mrs. Ralston," Mrs. O. A. Park; "Ethel Clark," Mrs. E. A. Franka; "Mabel Jackson," Miss D. Hall; "Sabel Jackson," Miss M. Hall; "Barber," Edie Dean; Directors—Mrs. T. W. Hall and Mrs. Wm. Galloway.

LOCAL JOTTINGS

OF LOCAL INTEREST

Readers are requested to send in items for this column not later than 12 o'clock Saturday noon preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 68.

We have received from Mr. Chas. Altar, now in charge of the C.P.R. exhibit at Wembley, England, copies of London newspapers describing the opening of the Exhibition by King George and Queen Mary.

Strathmore will hold their regular meeting last night.

Among those successful in passing the examinations at the Olds School of Agriculture, are the following from this district: W. T. Nance, Irrigation; Donald Finlayson, Dairy; Leo Larsen, Standard.

A Nightingale team took up golf last week, and on his first round whacked out a two hundred yard drive. After this, Gene, we may expect to see an agonizer for a golf course at Nightingale.

Joe White, a former Strathmore resident, sends us pamphlets describing the North Idaho Stampede, a Oscar D. Allen, and from the descriptive matter, they are evidently doing the thing right.

The picture to be shown at the Municipal Hall on Saturday is a new release "The Path to Paradise." This picture was not shown anywhere else in the world until it appeared in Calgary until last Saturday, and Strathmore is the next showing. It is one of the greatest comedies ever exhibited on the screen.

There is stated to be a good prospect of a General Election this year. There won't be much fun in it here unless we can import a few genuine Liberals to provide the opposition. Dr. Girdlewood has been chosen, and he left last week. The earlier elections provided lots of entertainment, and Bill Irvine can be depended on to make the fighting interesting for any other entrant.

Mr. T. H. Huggins, announced reductions on the price of coal according to the new wage schedule.

As will be seen from our advertisement here, Mr. Harry Wood is starting in business for himself on July 7th, as a painter and decorator. Harry's ability in this line is well-known, and he is one time was a partner with James Luck. There is lots of room for brushwork in Strathmore at present.

The large new storey which the C.P.R. are erecting at Irrigation Headquarters is now being roofed, and should be ready for occupancy in a week or two.
Strathmore Masonic Lodge will hold a social evening with their wives and lady friends on June 19th.

Keoma Notes

The Keoma Dramatic Society went to Langdon last Friday with their play, "Nothing But the Truth," which everyone agreed was well enjoyed. The Society wish to thank the people there for the good reception which they gave them. They appreciate it very much.

Keoma folks travelled into Calgary with the ball team last Tuesday to play a game against East Calgary. The rain spoiled it, however, and the game was called off, and most of them had to stay in overnight.

The U.F.W. held a shower in honour of Miss Kathleen Hill, who is to be the bride of the month. Some beautiful presents were presented, and were appreciated very much. A lunch was served, and Mrs. Galloway made the presentation with a charming speech.

At the ball game last Sunday K-K-K's vs. Riverside, which we lost 15-8, two of our players tried to kill the game. Mr. Ross Williams and Mr. Desson collided and their heads were cut very badly. They are progressing very well however.

Glischen ball team failed to turn up to Strathmore on June 3rd, much to the disappointment of many who had come in from considerable distances. However, the dance put on by the ball club in the evening was quite successful.

An enjoyable dance was held on Monday evening to the music of the famous Imperial Radio Orchestra.

Local hotelmen state that the demand for beer is falling off, and while it used to be quite the thing to say that "familiarity breeds contempt," yet it may be that the liquor business is now missing the free advertising it used to get from politicians, unions and newspapers during the prohibition days. On the other hand, some of our citizens may have reached the saturation point.

The park lake is now being drained, and we may look forward to having our annual bath within a week or two without having dead cats and other waste products as swimming partners.

Nightingale have organised a sailing boat club, and a regatta is to be held shortly. Ho! for a life on the ocean.

The dandelions are being allowed to grow unchecked and become a nuisance. There is not the demand for dandelion wines that there was in former days.

Miss Ethel Brooks, of Taber, visited at the home of Miss Edna Hilton over the week end.

Mr. Hugh F. McDonald, formerly of Strathmore, and now of Bassano, was a visitor here yesterday and today. Someone should page "Poster," the draught expert and tell him what's happening here.

INSURE TODAY TOMORROW MAY BE TOO LATE

Why delay in taking out your Hail Insurance? The cost is just as much a month later, and delays are costly. How many farmers have said: "Oh, we never get 'Hail in this District,' and soon after suffer a loss. Just remember, if the Companies knew where Hail is going to hit, they could save themselves Millions of Dollars every year by declining to accept insurance in these districts. Let the Insurance Companies take the chance and save yourself worry and possible loss.

The Parish and Heimbecker Elevator is now closed up for the summer, and Mr. Hunter, as will be seen from our advertising columns, has opened up an insurance office at Rockyford.

Mr. D. H. Poole has recently acquired the interests of the Rockyford Hardware, and will conduct the business after stocktaking, June 10th, under the name of the Lewis Hardware. He informs us that he has secured the services of Mr. E. J. Chamberlain, formerly of Calgary, and who has been engaged in the hardware business for the past twenty-five years. He was formerly connected with such well-known firms as Ashdown's, Wood, Vallance and Adams, Hail Hardware, and the Hudson Bay, Mr. Chamberlain should prove a very efficient man in the new management. Mr. Poole expects to sever his connection with the Home Grain Co. within the next ten days after having spent ten years in their service.

The Municipal Council of Strathmore met at Rockyford on Saturday.

A very successful dance was held in Rockyford Hall on Friday last, under the auspices of the Ladies Club. A large crowd attended, and the music, which was of a very high order, was supplied by the "Jolly Boys" orchestra, from Calgary.

Little Donald Clin, is spending a few weeks in the Wynas home.

W. Hymas shipped fat cattle to Calgary Tuesday.

F. W. Schulz and son Walter, motored into Calgary Sunday, and returned Tuesday.

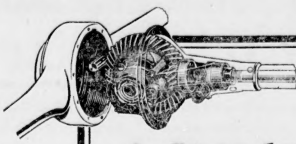

Helen Sumner has passed her examinations with the Associated Board of the Royal Academy and Royal College of Music, London, England. The grade being Higher Division. Congratulations are extended to Helen.

Mr. Charles H. Gower, who has been an invalid for the past fifteen years, succumbed last Friday morning to his last serious illness. Mr. Gower is survived by two daughters, Mrs. Etta Strang, of Redland, and Mrs. Lillian Stewart, of Sweetwater, Idaho, one son, Mr. Albert Gower, of Washington, Wash. his mother and father, of Jonesville, Kansas. Mr. Gower's wife has been dead for thirty-two years.

Mr. Gower was born sixty-two years ago in Hopt, Wisc. On reaching years of maturity he moved to Moscow, Id. Later he moved to Spokane, Wash. where he lived till four years ago when he came to Canada to live with his daughter, Mrs. Etta Strang.

The funeral service was held on Sunday, June 7, at 2 o'clock, in the Rockebud Union Church. The body was interred in Rockebud Cemetery.

Sympathy is felt with the family in their loss.

PIANO AND VIOLIN RECITAL HELD AT ROCKYFORD

From an artistic viewpoint, the piano and violin recital given in the Rockyford Town Hall on Thursday evening last by the Rev. Father Boltz and Mrs. Odella Myers, was by far superior to anything ever before given in Rockyford.

These two talented artists presented a programme of musical selections from the classical masters that was far in advance of anything that the Dominion Chautauques, or any other organization has yet brought to Rockyford in the past, and for some of which the Rockyford people paid many hundreds of dollars.

There is no need to mention here anything of Father Boltz's skill as a professional pianist, especially when a critic of note in Calgary said recently that there is no one in the West who can touch Father Boltz, both as to musical interpretation or technique.

Outstanding numbers rendered by Father Boltz were especially well received, were the Chopin group, of which the best number was the Scherzo, "As the Donkeykrook Falls" and "Intermezzo" were also wonderful, while the closing number, the soul-stirring "Military March" by Schubert, was marvellous in its execution, and anyone who heard this number will not forget the wonderful rendition of the same.

Mrs. Odella Myers, with her violin, was in splendid form. With Father Boltz as her accompanist, she had a perfect background to work upon. Her interpretations of the airs of the Queen's Caravan, Louis IX. Leammore and Faust were most beautiful. Her playing of the Polish and Spanish Dances was enthusiastically received. Kodaly's "Lisztelied", and the classic arrangement of the popular song "Marguerite" were received with much applause, and her closing number, Dolly's famous "Serenade" from the Kubelk series proved Mrs. Myers a violinist of the very first calibre.

A word here may be wisely placed on the attendance. The audience was small, but most appreciative, and consisted almost solely of out-of-town strangers, with a very small group from Rockyford.

Rockyford is musically on the march because of these two wonderful artists, and the small support the town gave them was disapproved.

Father Boltz and Mrs. Myers presented the recital for the benefit of the Town Hall as a gift from St. Rita's Altar Society. They received no remuneration whatsoever for their services, hence St. Rita's Altar Society has almost irrevocably disagreed itself by its failure to respond with a better attendance at the recital, and its failure to back up a project that was put on in its name. The Union Church and the Rockyford Ladies Club have always featured these two artists in any of their programmes, and they too showed little appreciation by their poor attendance. So much so, in fact, that it is the nature of these organizations call upon either Father Boltz or Mrs. Myers for help

In musical programmes, and if it so happens that these two respond again with their talent, it will be out of the goodness of their hearts, and not because either of these two organizations deserve any support from Father Boltz or Mrs. Myers.

The Ladies Altar Society of Sacred Heart Church, Strathmore, are presenting Father Boltz and Mrs. Myers in recital in the Strathmore Memorial Hall on Tuesday evening, June 16th.

SUNFLOWER SILAGE
— — —
Sunflower silage has proved to be a valuable succulent fodder, and a fairly satisfactory and acceptable silage in districts where the season is too short or dry for successful corn growing, according to a new bulletin issued by the Division of Chemistry and distributed by the Publications Branch, Department of Agriculture.

Social-Personal

Dr. and Mrs. A. W. Givins and family left at the week-end for Calgary. Mrs. Keating, who was taken to Calgary Friday for treatment, is reported doing well.

Mr. and Mrs. Dave Robinson are rejoicing in the birth of a daughter. Mr. and Mrs. Frank Mertens are happy in the birth of a daughter, the arrival being on Saturday at Edsboro. Grandpa Reeves has a bicker smile than ever now.

Major G. F. Davis and Mr. John Davis wish to extend their grateful thanks to the choir and organist of St. Michael's Church for their kindness in attending the last services for the late Mrs. Davis.

About thirty-five friends and neighbors of Mrs. Daniel Kissever (Hevey district) gathered at her home Tuesday, June 2nd, to give her a surprise in the way of a miscellaneous show, and social time, showing the respect in which she has been held by all who know her; especially did they express the same by the valuable presents given her on this occasion. She wishes to thank all the people for their kindness, and especially for the presents given her.

Funeral of Mrs. George F. Davis

The funeral of Mrs. George Frederick Davis, who died at her home near Ardenode on June 4th, took place to Strathmore Cemetery on Thursday, service being conducted by Rev. A. D. Currie. A large congregation of mourners were in attendance, many attending from Ardenode and Nightingale districts, testifying to the respect and affection the deceased was held in by her neighbors.

Mrs. Davis came to the district with her husband and family in 1910, and has resided here ever since. She has been in failing health for some years, having never recovered from the loss of her two sons in 1918.

The greatest sympathy is felt with her husband, Major Davis, and her son John, in their bereavement. The pall bearers were: Messrs F. H. Donkin, Herb Smith, Jas. Horrocks, C. O. Dawson, W. A. Freeman, J. Kin-sella.

Floral tributes were received from Kate and Jack, Mr. and Mrs. Arthur Kimmitt, Mr. and Mrs. H. W. Gohard and family, Fred and John, Mrs. Chamberlain, Bobbie, and Nicky, the Ardenode Store, Mr. and Mrs. C. H. Mills, Mr. and Mrs. W. A. Freeman, Mr. and Mrs. Horrocks, Mr. and Mrs. DeWolfe, H. S. Dougan, Charles, Gene, and Cliff Kimmitt.

Nightingale

On Sunday afternoon a very heavy rain fell for two hours continuously, it being estimated that well over an inch of rain fell. The crop is looking well, with the exception of some pieces that were blown out by the spring winds. Some re-seeding is being done.

The married ladies of Nightingale are sponsoring a dance which is to be held on June 12. Everyone is welcome, and this should prove fully as popular as the other dances that have been held recently in the Nightingale Hall. Nightingale Annual Sports will be held on July 25. The committee are already making arrangements for a bigger and better day than ever before. The committee are now asking for tenders on the supply of refreshments.

A LURID WARNING
If the people of the district north of us please see to it that the following notice in the "Acme Sentinel" would allege, and the fauna are so numerous, it is no wonder that M. D. Koona are providing a Municipal picnic ground.

Notice
I regret that owing to the heavers cutting down the large spruce trees, the rabbits eating into the nursery stock trees, and also the picketers, not being able to tell the nursery trees from the native ones, that all plants on the S. W. quarter of Section 27, Township 30, Range 26, west of the Meridian, will have to be destroyed. As I am determined to grow some nursery trees on the picketline grounds on the said quarter section, I have set the ground with fence posts, thus making the ground not only unsafe for children, but also making the atmosphere unbearable, due to there being so many dead rabbits as well as badgers, porcupines, crows, magpies and crows, which are caught in the traps set for rabbits.

W. E. NETTROUHER

Standard Notes

Rev. and Mrs. Koller left Standard on Monday to attend the Norwegian Centennial in Minnesota, also to renew old acquaintances in Albert Lee.

An interesting afternoon is anticipated on June 27th, when Miss Barnett of the Women's Institute Extension Bureau, will give an address on "Home Decoration" in the S. and S. Hall, commencing at 2:30 o'clock. As this is a very important phase of home making, and one which tends to make our lives happier, it is hoped that a large number will be present to hear Miss Barnett. The Women's Institute wish, through the columns of this paper to invite everyone to this lecture, and especially the C.F.W.A. members and neighboring W. I. members. At the close of the address, refreshments will be served and a social hour spent. No charge will be made.

Mr. George Nygaard has purchased a new Star touring car. Mr. Arne Sorensen has also been driving his new Star touring car for the past two weeks.

Mrs. Cecelia Dahl returned on Monday from Edmonton, where she attended the Women's Institute Convention.

Mr. A. V. Smith paid a flying trip to Hidesleigh last week.

The little Misses Doris and Marjorie Thompson were hostesses at a delightful for children's party Friday afternoon when twelve little friends and their mothers were present. Dainty place cards, colored balloons, crisp paper hats and gay streamers all greatly delighted the children who spent a merry afternoon.

Mr. Henry Larsen is driving a new McLaughlin roadster these days.

Yule

The last meeting of the Mendon Brook Girls' Athletic Club was held at Camanodan on May 29th. The girls were discussing the problems of playing tennis or baseball, but owing to the fact that there are so few members, it was left for later discussion.

C. P. Schoonover resigned his position as teacher of Yule school. Mr. W. Watts took her place on May 26th.

We are glad to report that although there has been much flu, and three cases of pneumonia in our district, everyone has recovered, or is fast on the road to recovery from their illness.

The Standard boys are to be congratulated on the good rides they made at the Hussar Stampede on May 25th, of the four boys, Gordon Grant, Johnny Grant, Vern Green and Floyd Sammons, two were drawn to ride in the finals. Johnny Grant won first money in stock riding. Standard' Yule should be proud of your boys.

Many of the Yule people attended the dance at Standard on May 25th, and reported having had an enjoyable time.

Messrs W. Watts and C. Kelly motored to Ardenode on May 21st to visit a college friend.

Mr. and Mrs. T. Enveredson, Mr. and Mrs. Geo. Collins and family and Johnny Grant spent Sunday afternoon at the home of Mr. and Mrs. H. Knevelton.

Mrs. W. Macdowell has had a slight illness. Her younger sister, Viola, has been staying with her, doing the work.

MEN'S CLUB

The executive of the Club wish to advise all owners of stock that from this date all stock found wandering on the course will be impounded, and further they wish to warn trespassers that they may be prosecuted, as the course is the property of the club and is not open to the public.

After June 1st only those members who have paid their fees will be drawn in competitions, and all persons not joining the club will be expected to pay for each game played.

Several players have not yet handed in the cards for the 18 holes played on May 31st, and they are requested to do so at once. The allocation of the greens to members has been completed and can be seen on application to the Captain and Secretary.

A list of the members has been sent to the Calgary Herald for publication in a Directory of Golf Clubs, which is being made by that paper.

All club members who can go to Rockyford on Sunday, June 14th, are requested to notify the Captain by Friday morning at the latest so that all the necessary arrangements can be made for transportation. Players give this your attention.

It is particularly desired that the greens be attended to early next week, and members should ask to see what green has been allotted to them.

IMPORTANT

On account of rainy weather at the time of going to press, the mixed four some and bonfire party planned for Thursday evening, June 11th, has been postponed until further notice.

Baseball

Strathmore and Gleichen will meet in the postponed game from June 3rd on Tuesday next, June 16, at 6 p.m. at Strathmore.

Strathmore & Standard 3
Strathmore and Standard met at Strathmore on the afternoon of the 7th. The game was played on wet ground, rain having fallen during the afternoon. Strathmore got away to a big lead in the second inning, scoring six runs, and the standard boys, who started with two in the first inning, were unable to register again till the sixth, with a single tally.

Score by innings:
Strathmore 9 6 1 0 1 0 x-8
Standard 2 0 0 0 1 0-3

BALL CLUB FORMED

On June 1st, a meeting of the boys of Namaka interested in baseball was held. It was unanimously decided to promote the game by organizing and forming a team. To this purpose the following officers were elected:

Manager-Fred Watts.

Captain-Jack McLean.

Sec.-Treas.-E. Culley.

Any uncertainties as to the severity of available material for a team was set aside after the practice held last Friday evening, when such notables as Jim McLean, Jack McLean, Alf McKinnon, Bill McKinnon, J. Laurie, E. Showater were seen frolicking around the Namaka diamond.

To outfit the newly organized team a canvass of the district is being made. Any outside teams desiring games with the Namaka Team should communicate with Fred Watts, manager.

RECITAL ON TUESDAY

A perusal of the programme of the recital to be given by Mrs. Odella Myers and Rev. Fr. Boltz in the Memorial Hall, Strathmore, on Tuesday evening, June 16, convinces us that those who fail to attend will miss a musical treat. We should by all means endeavour to develop our native talent, and the best way to do so is by attendance.

A criticism of the recital given at Rockyford by these talented artists appears on another page of this issue.

Carseland

The U.F.A. and U.F.W.A. district association meeting at Gleichen last Friday will see many from Carseland in attendance. There are several questions of importance to Carseland people to be brought up. Among them is the one of urging upon the government the advantages of making a government highway of the east and west road running three miles north of Carseland, and straight through to Gleichen. There are many advantages in this route that are worthy of the attention of the highway commission.

T. H. Kene, couldn't withstand the temptation last Saturday-saw him driving a new Studebaker home from Calgary.

Mrs. Phil Dick Jr. and Miss Emma Dick, received a week ago last Sunday from Mrs. Dick's old home in North Dakota. Miss Laura Moore, a niece of Miss Dick, accompanied them home.

They will spend some time visiting relatives here.

A number of Carseland people motored to the Black Diamond oil fields last Sunday, and their intentions were to have a picnic-dinner there.

Mr. Robertson and Miss King motored to Carseland last Friday, and Miss Potter spent the week end in Calgary.

Mr. Lonsdale has been stationed at Hard for the coming year. Mr. and Mrs. Lonsdale will leave for their new place the first of July. They have endeared themselves to a great many people here, and have done wonderful work among the young people. The loss will be felt very keenly, but our loss will be another's gain.

When a fellow hits some of the bridges to be found here and there over the country, it makes you feel like using up at least a dollar's worth of gas money.

The F. B. Club held a very interesting meeting at the home of Mrs. Ed. Nelson. A delightful lunch was served at the close of the business meeting.

Mr. Harper reports fishing very good at Chestermere.

FARM TRAINING FOR BRITISH BOYS

In place of utilizing the school of agriculture at Vermilion for the training of British farm boys this fall and winter, the Vermilion school will be requested on the same basis as the other two schools in operation, and the British boys who come out for training will be distributed according to experience among the three schools. This will mean that any young men coming from Britain or elsewhere to settle in Alberta and who wish to take courses offered in the agricultural schools will be able to do so on the same basis as any boy or girl in Alberta. The schools are open to any who wish to make application for the free courses offered. The Provincial Government is asking the Overseas Settlement Board to make contribution towards the cost of educating the boys who come from overseas, but at any rate the schools are open to all who wish to make application.

The New Pools

The drive for members for the Livestock, Poultry, and Dairy Pools has been organized consequent on Monday, and will continue till June 28. During that period it is expected that every farmer will receive a visit from a canvasser, and have the purpose of the pools explained to him. At the same time, this is not a stock promotion scheme. Canvassers will be doing the work voluntarily, and every farmer who deals in the commodities which are proposed to be pooled should inform himself as to the objects aimed at by the pools, and attend the meetings which will be called throughout the district during the next three weeks.

Frankly, there is not the same enthusiasm being displayed with regard to the Pools, as there was with regard to the formation of the Wheat Pool in 1922. Possibly it is because financial conditions are better now than at the time the Wheat Pool was promoted, or because many farmers regard their poultry and cows as side lines to their grain raising activities.

The Livestock, Dairy, and Poultry Pools are attempting to do with these products, what the Wheat Pool has done with wheat, that is: co-ordinate the various producers into one selling agency, and thus stabilise the market.

The countries which have practised co-operation in dairying and poultry have met with success in their efforts, and there is no reason why the same success should not attend a similar development here.

The increasing tendency of land in this country to blow after successive summer-fallowing points to the necessity of practicing dairy farming and cattle raising on a larger scale every year, so as to "return fertility to the soil by manure, and to have a certain amount of land in pasture or forage crops. This means that to ensure continued prosperity to the farmers, mixed farming must be practised on a larger scale each year. The obstacle that has attended the extension of mixed farming has been the lack of markets.

During the last few years, largely through the help of the Alberta Government Department of Agriculture, fine market has been built up in Britain for Alberta butter. The number of Alberta cattle going to Britain is also increasing yearly, and with the prospect of reduced rates on cattle as a result of investigation of ocean rates in the present Federal Parliament there is every reason to believe that this will provide a very profitable market for Alberta's surplus livestock.

Britain can handle practically any amount of dairy produce or cattle that the Canadian market can supply. The people there would rather buy from us than from foreign countries. Australia and New Zealand, which are much further distant than Canada from the Old Country markets, are doing a big trade there.

Pooling of the efforts of the farmers of the province, in these respects, as well as in wheat, will help to develop Alberta's markets, and at the same time insure profitable selling prices without undue cost to the consumer.

Our advice to the farmers of this district is to look to the future. Don't join the pools without investigating, but at least don't refuse to join because you refuse to take an interest in what your fellow farmers are doing to try and improve selling prices.

The Eastern manufacturing interests are asking for the abolition or reduction of the tariff against the British workman. Why? They do not pay a high price for the farmer's product. In fact, they pay less. Western Canada is getting tired of being regarded as a colony of Eastern Canada. There are as many people living in the four Western Provinces now as there were in Eastern Canada when it was granted self-government. Western Canada has evolved politically within the past thirty years, but we are still being treated as a dependency in fiscal matters. The tariff is framed one, for the benefit of Ontario and Quebec. Our money system is centred in the East. Only two weeks ago we learned that our only large Western bank was to be absorbed, and that the headquarters would be moved to Toronto. No one wishes to see Canada break up into separate parts. At the same time, we would be better off as a constituent part of the British Empire, such as New Zealand or New Foundland, than as a dependency of Eastern Canada. Equity must be preserved if the Canadian confederation is to continue. We will not be heaves of wood or drawers of water for any in fiscal matters. The tariff is framed one.

Slats' Diary

Friday—Ant Emmy says they are
not justified for a girl in a breach of
promise suit now of
days. If she was pread-
ent she says she would
make them fellows pay
about 50 thousand dol-
lars (3) and make them
good and hard. Then he
picks up and says, Yes an if
that wasnt punish-
ment enuff why you
mike make them marry
the girl or something.

Sat.—ma was a bray-
gen up her uncle Tom
which he is the one I
was named after when I
was young and little
but it never took. She sed he was
sucky aile old fellow. Pa sed, Yes
he was nice but he was awfly close
an stingey. He sed he was so tire
he woodent take nothing but stand-
ing room when he was to a show he
cuz he saved the extry money & did-
dent wear the seat of his pants out
and then he walked stiff legged to
keep the crease in them.

Sunday—ma and Ant Emmy left us
today for a couple days visit in the
country and pa and me is going to
keep house all alone. Pa went in the
cellar and found sun omans and
cooks them. They didtent taste like
them at ma cooks when she is com-
gess we will use paper plates so we
wont have so meny dishes to wash
on the last day we are all alone to-
gether.

Monday—glad we dont haf to go to
school enny more this summer till I
fall. Sun baddy sat out a report
that they are banglers in the
neighborhood and pa told me to see
that we didnt leave enny thing valubul
outside so when I locks up tonite why
I just left the lawn mower and the
hoe where they could find them without
brakeing in the house and scaring pa
and I.

Tuesday—Ma and Ant Emmy is
home agen. Cum to find out the on-
yans we cooked was sun bulbs ma
haf boughen to plant this week.
Wednesday—A budy art Ant Emmy did
she like Shaks Spears works & Ant
Emmy sed she wasent very well ac-
quainted in roen and didtent like
wether he was a plunmer or a dentist.

Thriday—Puz Stevens told a bunch
of we kids he cud go with enny tire
he pleasees. Jane sed, Yes but the
trubble is you dont please very meny
of them.

Friday, June 19

1925, at 1 p.m. sharp.

Favoured with instructions from the
— C Ranch, I will sell their entire
bunch of well-bred Grade Horses.
200 — HEAD — 200

Comprising—30 Mare and geldings,
4 to 8 years old, halter broke, weighing
from 1200 lbs. to 1500 lbs.; 30 mares
and geldings, 5 to 8 years old, well
broke, weighing from 1200 lbs. to
1500 lbs.; 10 well-broke Saddle
Horses, 10 Mare and geldings, all 3
and 4 years old; 60 2-year-olds, 65 1-
year-olds, 30 Mares, 4 to 10 years old,
with Cots at foot; 5 well-broke Range
Stallions.

NOTE—The above are a very useful
bunch of Range Horses, and although
they will not be hog fat, they will be
in good condition to go right about
